Notes to Charges

1. Fixed charges are annual charges and will apply regardless of whether a customer is connected for only part of the year.
2. Fixed charges will be billed monthly, based on the number of days in the billing period.

3. Please refer to Eastland Network Ltd for kVA Distribution and Transmission Fixed charges above 500kVA.
4. Volume Discount on Distribution Per kWh charges are based on annual usage (1 April to 31 March) and set for the following year. No retrospective payments apply.
5. The published charges form part of the conditions of supply effective from 1 November 1998.
